Driving Directions: 1878 South Blue Angel Parkway
Group Reservation Form/Guidelines

GIANT SCREEN
 CERTIFIED
 BIGGER.BOLDER.BETTER

Please complete the group reservation request form and then email to cpowe@navalaviationmuseum.org.

Note that requests must be made at least two weeks in advance and are subject to availability. The Giant Screen theater can accommodate a maximum of 300 guests at one time. Availability for your request may vary based on pre-existing reservations. Plan on arriving at least 30 minutes before your Giant Screen film to allow adequate time for check-in and concession package distribution. Giant screen movies must begin at the published start time. To prevent disruption to other visitors, as well as for safety precautions in the theater, groups will not be seated after the movie has begun. Call Ms. Cathy Powe (850) 308-8899 for reservations.

Payment Methods: All Credit and Debit cards accepted, or Checks (made payable to FMSC), *NO CASH*

Welcome to the National Naval Aviation Museum! We hope that you and your group will find your visit to be an enjoyable and educational experience. While visiting, please keep in mind the following information.

The National Naval Aviation Museum is open Monday through Sunday from 9 a.m. – 4 p.m.

Base Access & Identification Requirements:

The Department of Defense (DoD) and the Navy require visitors 18 and older to show a single government-issued identification card. State-issued driving licenses and passports are acceptable. Public access to NAS Pensacola will be available from 9 a.m. through 3 p.m. through the West Gate only on the south end of Blue Angel Parkway. Additionally, vehicle operators must have a valid driver's license, and foreign nationals will need to be escorted by a U.S. citizen.

Giant Screen Theater

Our larger-than-life theater provides an exciting, entertaining, and unparalleled experience that will take you on journeys you've only imagined.

Free Exploration

After your group's film that you have scheduled, you are welcome to explore other areas of the Museum with your guests.

The Flight Simulator Zone

On the Mezzanine level located on the second floor of the Museum, the Max-Flight Simulators are under your control; these high-definition simulators are capable of 360-degree pitch and roll technology. Price is \$40.00 for two people.

The Motion-Based Simulator is a five-minute, multi-sensory experience that combines a movie-like audiovisual presentation using a high-definition projection screen and surrounds sound.

Sincerely

Cathy Powe
